

Naser abdi

Assistant Professor

College: Geodesy and Surveying Engineering

Papers in Journals

1. Naser Abdi, Alireza A. Ardalan, Roohollah Karimi, Rapid local ionosphere modeling based on Precise Point Positioning over Iran: A case study under 2014 solar maximum, *Advances in Space Research*, 2018 09 23.
2. Alireza A. Ardalan, Iraj Jazireeyan, Naser Abdi, Mohammad ,& Hadi Rezvani, Evaluation of SARAL/AltiKa performance using GNSS/IMU equipped buoy in Sajafi, Imam Hassan and Kangan Ports, *Advances in Space Research*, 2018 01 10.
3. Naser Abdi, Alireza A. Ardalan, Roohollah Karimi, Combination of GPS and Satellite Altimetry Observations for Local Ionosphere Modeling Over Iran, *Journal of Geomatics Science and Technology*, 2018.
4. Naser Abdi, Alireza A. Ardalan, Roohollah Karimi, Performance assessment of PPP as an alternative for relative techniques, *Scientific- Research Quarterly of Geographical Data (SEPEHR)*, 2018.
5. Naser Abdi, Alireza A. Ardalan, Roohollah Karimi, Performance assessment of multi-GNSS real-time PPP over Iran, *Advances in Space Research*, 2017 03 25.
6. Naser Abdi, Alireza A. Ardalan, Roohollah Karimi, Evaluation of Iran Ionosphere Model Based on GPS Data Processing, *Journal of Geomatics Science and Technology*, 2016.
7. Vahid Rezaali , Alireza A. Ardalan, Naser Abdi, Marine current meter compass calibration Using relative kinematic positioning, *Journal of Geospatial Information Technology*, 2016.
8. Naser Abdi, Hamidreza Nankali, Analysis on Temporal-Spatial Variations of Iranian TEC Using GPS Data, *Journal of Geomatics Science and Technology*, 2014.
