

## Mohammad ghasem Sahab

Assistant Professor

College: Civil Engineering

---

### Papers in Conferences

1. M.G. Sahab , A. F. Ashour , V.V.Toropov.٣- Cost optimization of reinforced concrete flat slab buildings by a genetic algorithm, The Fourth World Congress of Structural and Multidisciplinary Optimization.The Fourth World Congress of Structural and Multidisciplinary Optimization, شماره صفحات، ٨،Dallian،٤-٨ June ٢٠٠١.
2. M.G. Sahab , A. F. Ashour , V.V.Toropov ,2- Multilevel optimization of reinforced concrete flat slab buildings based on genetic algorithm, Engineering Design Optimization ,M The 3rd ASMO UK/ ISSMO Conference, ,pp. 8 ,Harrogate ,9-10 July 2001.

### Papers in Journals

1. M.G.Sahab A.F.Ashour V.V.Toropov, Cost optimization of reinforced concrete flat slab buildings, Computers and Structures, Vol. 83, No. 83, pp. pp551-559, 2005.
2. M.G.Sahab A.F.Ashour V.V.Toropov, A hybrid genetic algorithm for structural optimization problems, (Asian Journal of Civil Engineering (Buildings and Housing Research Center, Vol. 5, pp. pp 121- 143, 2004.
